Castle Knights Polite requests:

- ❖ *Unless you are in a campervan please park in the paddock carpark or castle carpark- not next to your tent as this churns up the ground for future guests. You can use the turning circle up at the site to drop off your things. Wheel barrows are provided!*
- ❖ *Respect and consider other campsite guests and bear in mind visitors to Usk Castle and it's residents i.e **children should not be allowed into the Castle unattended.***
- ❖ *Any books, pool cues, balls or fancy dress items borrowed during your stay to be returned after use.*
- ❖ *Be considerate of music/noise volume for other campsite guests and castle residents. Due to our event licencing restrictions all loud music must be turned off by midnight- we may have a secluded spot but there are many close neighbours nearby.*
- ❖ *Clean up after your dog- this is a family site, be mindful of those who may be fearful of dogs.*
- ❖ ***Only light fires in the firepits provided-** we are not insured for your own use near your tents/campers.*
- ❖ *Wash up any of our cutlery/crockery used and return it to cupboards for other guests to use.*
- ❖ *Place all rubbish in the bins provided. Recycling- card in red bags and plastic/glass/metal in purple bags.*
- ❖ *Close toilet and shower block doors behind you after use (otherwise rain and creatures get in!)*
- ❖ *Any breakages/damage to be reported to Tom in person or on 07506099241 so we can make them right.*

Have a lovely time!
